

Merritt Post, No. 142, American Legion

MEETINGS SECOND & FOURTH TUESDAY OF EACH MONTH
201 JAMES ROAD • P.O. BOX 124
WAVERLY, OHIO 45690

It is that time of year again. Merritt Post 142, The American Legion, Waverly is again planning for the annual July 4th Fireworks Display and is again soliciting financial contributions from all clubs, organizations and businesses interested in assisting the Post with the cost of the event. It is doubtful if the display would be possible without this assistance.

This celebration of our country's birthday has become a major entertainment feature, attended not only by a very large number from the community, but from throughout the county and surrounding areas as well. It is therefore believed to be well worth the cost and effort to put on this display.

The fireworks this year are scheduled for Tuesday, July 4 at the Pike County Fair grounds in Piketon, beginning around dusk. Your generous contributions in the past have been helpful and greatly appreciated.

If you would like your donation to be picked up please contact the post at 947-2521. If you are mailing your donation in please mail to:
